

Parental/Guardian Consent for Photographs

The use of photographs is an important developmental tool, which is widely used in play and educational settings for recording, sharing and displaying activities that your child has undertaken. At Lytham C of E Breakfast Club and After School Club we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent.

At the Breakfast Club and After School Club we may sometimes wish to take photographs to share with you, put up on a wall, put into the children's own folders and for promotional use eg. Club Leaflet. Please indicate below whether you give your permission for your child's photograph to be taken and the image used by us.

As the parent (s)/guardian(s) of the child named below, I/we give my/our permission for images of my/our son/daughter to be taken and used for the following purposes:
