## Gifts from Father Christmas

Dear families,

I was recently approached by some older members of our School Council who had been talking to their peers and were wondering if we would consider an alternative to the KS2 children all receiving a book on Party Day. They felt strongly that the EY (Nursery and Reception) and KS1 (Y1 and Y2) children should receive a book but were keen to find out if their peers would like to receive a book or whether they would prefer to receive one book(s) for their Class Library and then donate to a charity who would benefit from the money saved from not buying each child an individual book.

Our School Council members assisted with a vote in each Key Stage Two class and the children unanimously decided that they would prefer to have a new book(s) for their class library and the money be donated to charity..... on the condition that they could choose the charity!

So.....

Y3 – New book for library	Chosen charity	Y4 – New book for library	Chosen charity
			
Y5 – New book for library	Chosen charity	Y6 – New book for library	Chosen charity
			

I'm sure that you will agree that this was an incredibly selfless decision by our children and shows what kind and generous hearts they have.

Kind regards from a very proud Headteacher

*Amanda Wooldridge*
