

LYTHAM CHURCH OF ENGLAND SCHOOL

Together We Grow With God

Our Christian Value this half term is Thankfulness

Headteacher's Message:

We have had a wonderful fortnight in school settling into our new classes. The children are working extremely hard and our new starters have quickly become part of our Lytham family.

We have celebrated the life of Queen Elizabeth during our Worships this week and the children have spent time reflecting on the Queen's reign and her impact on our country as a whole. Please note that school will be closed on Monday 19th September for the state funeral.

Snippets from the classrooms

This week we are very proud of our Reception children who have completed their first full week at school. They have done so well staying for lunch, joining in with whole school worship and managing to follow a full day of instructions.

This week Y2 have sketched the tree outside our classroom using our sketching pencils. We have also been improving our word processing skills in our computing lesson. Everyone has worked hard this week. Well done.

This week in Y5, we have been creating our own kennings as we have begun studying the Anglo-Saxon poem, Beowulf. The children were much more creative than the adults! In geography, we have been refining our map skills by finding the cities and counties of the UK. We have begun developing our running and jumping skills as part of Athletics in PE. In RE, we have been discussing how the Bible is the inspired word of God. It's been another busy week for Year 5.

Harvest Festival

It will be our Harvest Festival at St Cuthbert's Church on Sunday 25th September at 10.15am. Our Year four children will be taking a lead part in this service and we would be delighted if children from all year groups could attend. We have already been practising our Harvest songs!

If you are able to contribute, we are asking for donations of non-perishable goods as these will then be donated to the Fylde Food Bank and Harbour House. Please send these into school by Friday 23rd September.

Curriculum Overviews

Your child will have brought home their Class Curriculum Overview for the Autumn term. Please contact your child's class teacher if you have any questions or queries.
