ASTHMA POLICY DOCUMENTS FOR YOUR CHILD

Dear Parent/Guardian,

Many thanks for returning the medical forms informing us about your child needing an inhaler in school. There are documents that we need to keep on file for your child, either because they have a formal diagnosis of asthma or because you have told us they use/need a prescribed inhaler available, due to other medical issues, to aid their breathing at certain times.

Please could you complete and sign the following documents and return to the school office as soon as possible for the attention of Mrs Reams, to ensure that the School Asthma Policy is being followed:

Asthma consent 1 – if your child has a formal diagnosis

Asthma consent 2 – if they have a prescribed inhaler due to other medical issues

Asthma card for school

Request to administer asthma medication

Please then provide us with a blue inhaler to be kept in the classroom. It needs to be in the original box with the prescription label that shows your child's name, dosage and expiry date. We must have this inhaler in school at all times if you have told us on the slip that your child has asthma or has a prescribed inhaler. If your child also uses a spacer, please provide one to be kept at school.

Many thanks for your support with this. If you have any queries then please contact me on 01253 736900 or t.reams@lytham.lancs.sch.uk

Kind regards

Tracy Reams
